When I die

What you'll need in the first 48 hours.

From

Written

To my friends and family: Start at the top. Use this the same way if I'm alive but can't speak for myself.

1. FIRST

Call these people first

Who depends on me

Who can step in

Don't cancel my phone plan yet. Login codes may still come to my number.

2. GETTING IN

Phone passcode

Computer password

Tablet passcode

My passwords are in

Password to open that

Safe or lockbox combination

3. WHERE THINGS ARE

House and car keys

Mailbox key

Safe or lockbox

Will and important papers

4. WHO TO CALL NEXT

My work (boss)

Doctor

Lawyer

Accountant

5. ANYTHING ELSE ONLY I KNOW

Private: this sheet has my passcodes on it. If you found it and I'm fine, please seal it back up. This isn't a will. It doesn't give anyone legal authority over my devices, accounts, or medical or financial decisions. Please leave bank and other financial accounts to my executor.
